The room where the sharpest practitioners come to stay sharp, stay connected, and stay ahead.

WHAT YOU GET EVERY WEEK

Weekly live 1-hour sessions

New AI tool spotlight, real community use cases, and open hot seat Q&A every week.

Async AI learning library

Full library of recorded sessions and resources available 24/7 — learn on your schedule.

Practitioner community

Connect with practitioners solving the same problems — peer answers, not just expert content.

AI tools for your business

Each week focuses on tools you can use immediately to grow, save time, or improve client experience.

Every live session includes:

AI Tool Spotlight

One new tool per week, applied to your practice

Community Use Cases

Real examples from practitioners in the room

Hot Seat Q&A

Bring your problem, get real answers live

Async Library

Every session recorded & available 24/7

You don't need another course. You need answers when you're stuck.
